

Mr. Onno Kremers
Director of National Programs, Green Municipal Fund, Federation of Canadian Municipalities (FCM)

Prior to his appointment as Director of National Program at FCM, Mr. Onno Kremers worked at a senior level for various federal government departments including Service Canada, the Privy Council Office, the department of Western Economic Diversification and Parks Canada.

He has also worked in the private sector as co-owner and Principal Partner of the interdisciplinary planning firm Rieber-Kremers & Associates Ltd., and has been the Chairman of the Manitoba Environmental Council.

In his current position as Director of National Programs at FCM, Mr. Kremers leads a number of programs designed to promote sustainable municipal development. These include the \$550 million dollar Green Municipal Fund, the Partners for Climate Protection Program and the CMHC-funded Affordability and Choice Today program.
